Free Skill Building Resources:

Explore over [300 short lessons](#) which support learners to develop their skills. There are also [workbooks](#) and [workshops](#) aimed at older learners which help think about the development of skills.

The **Homezone** – best suited for year 7 and 8: get involved in your child's skills development by asking them to login to Homezone. They can complete a weekly skill challenge or select modules to work through at a specific level.

Benchmark and **Launchpad** – allow students to self-assess their skills and then develop them through self-led modules on Launchpad. Best used by learners 14+.

To support **National Careers Week 2022**, this guide is to provide parents with the information they need to help their teenage children make the right choices to create successful futures after GCSE and sixth form. Please click  [here](#) for the Parent/Carer Guide.
