

# Careers Resources for Teachers

Autumn 2 '21

## SPEAKERS for schools

Our Regional Manager will be joining us on a Teams call on Wednesday 5<sup>th</sup> January @ 2.45 to run through what FREE resources and services **Speakers for Schools** can offer us. This includes speakers to inspire your students, the experience programme which gives students access to industry leading employers, twilight sessions, workshops and the Speakers for Schools Youth Card, and lots more!

**Please let me know if you would like an invite.**

The **WorldSkills UK Skills Development Hub** is the home of skills excellence - hosting free tools and resources to support teachers to develop themselves and their learners. The Hub hosts a wealth of material to support curriculum planning and delivery, making world-class skills development accessible to educators and students

I have sent out an end of term email to students reminding them about the features of Unifrog and how it can support their decision making throughout their school journey. Please do get in touch if you or your students need any support accessing or using Unifrog.

The CEC are delivering a number of **Careers Hour series** with Learn Live, that shine a light on different sectors. **Aimed at KS4 and 5** students, they feature a live panel, LMI and video insights from employers and young people in the sector. There will be a live Q&A and jobs board and the recordings can be accessed after the event.

We have at least one group of students who will be taking part in the Teen Tech Awards.

<https://teentech.com/awards/>

The Teen Tech Awards are for **ALL students year 7 – 13**. Students can work individually or in a team of up to three. They present a wonderful opportunity to develop students' potential and showcase qualities which are appreciated by both employers and further education.

**Please let me know if you would like to get your students involved.**

**Career Development East** are offering six sessions of a Health and Care Academy which will run 4pm – 5:15pm every Wednesday from January 12<sup>th</sup> – February 16<sup>th</sup> and will provide career insights into a wide range of careers in health and social care, including Nursing, Midwifery, Pharmacy, Occupational Therapy, The Ambulance Service, General Practice and Social Care.

This Academy is available to **any student aged 14 – 18** living or educated in Suffolk or North East Essex that is looking to find out more about careers in this sector.

Students have been emailed this opportunity, but more information can be found here: For more information can be found here: [January/ February 2022 Health & Care Academy | NHS Talent Academy](#)
