

12.10.2020

Dear parent/carer

I am delighted to inform you that our **Virtual Sixth Form Open Evening** is now live and available for you and your son/daughter to view and interact with. I have also emailed the link to your son/daughters school email, so I would be very grateful if you could ask them to check their email account so that they can access the link.

I hope that the online platform provides you with all the information you need to really get an insight into our highly academic and vibrant Sixth Form, but if you do have any questions about any aspect of the Sixth Form, please do not hesitate to contact me at dleach@copleston.suffolk.sch.uk

The link to the Virtual Sixth Form Open Evening can be found below:

With my very best wishes

David Leach

Director of Sixth Form
