Re: «Student»

Dear «Parental_Salutation»

Making Choices Information Evening – Wednesday 15 March 6 – 7.30pm

Students in Year 8 will be shortly required to choose the subjects that they wish to study at Key Stage 4.

We understand this is an important time for students (and their parents) as the choices made now will lay the foundations for their future. We want the students to make well-informed choices which match their academic profile which they will enjoy and achieve well in.

Please find enclosed a copy of the Making Choices booklet and your child’s personalised Choices form. The booklet will provide lots of information about our curriculum at Key Stage 4, the subjects available, what careers different subjects can lead to and guidance about how your child can make the most appropriate subjects choices. The Choices form will contain target grades for Key Stage 4 and your child’s preferred learning styles, taken from their CAT test they completed in Year 7, to help you and your child to make informed choices.

In order to find out more information about each subject on offer, we will be holding our Making Choices information evening on Wednesday 15 March. You and your child will be able to visit market stall style displays for each subject offered at Key Stage 4, talk to staff and ask questions that you may have about the suitability of the course for your child.

The Making Choices information evening will be followed by an individual interview for you and your child on Tuesday 21 March. The interview will be with a senior member of staff and will be a chance to discuss and then confirm your child’s subject choices. The evening will run between 4.30pm and 7pm and you will receive your ten minute appointment time in due course. It is really important that you and your child attend in order to have a constructive discussion about his/her choices.

We look forward to seeing you at both of these events, and hope that you and your child find them informative and useful.

Please contact Miss Bradshaw, Head of Year 8, or Mrs Das, Head of Lower School, if you wish to discuss any matters relating to your child’s choices for next year.

Kind regards

Mr A Green

Vice Principal (Curriculum)

The school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment
